

## FOURTH DEGREE NEWS

With spring upon us, I hope you are able to keep up with the changes in this year's weather pattern. but always remember you live in the midwest. This year's activities will be getting into full swing at our club in April. That being said, always remember to be careful when walking or driving through the parking lots at our club. Let us make this a safe place for everyone. "Always look out for the other person."

### "Lenten Fish Fry News"

Your "K of C" Council #583 members will be serving the Fish Fry Buffet dinners through Good Friday, April 14, 2017. Please come out and support "your club," our family club, so bring your family, friends, neighbors, co-workers, etc., enjoy the meal and spend some time at your club.

### "Confirmation News"

For all of our fellow Sir Knights that are part of our color guard, this is just a reminder that May is the month for the area confirmations. So when our color guard captain calls you or asks you, please say yes. Thank you.

Finally, as we near Holy Week and the Feast of Our Lord and Savior, I ask that all of us take some time for quiet reflection. This is a perfect time to look at our lives and see how we stack up in our Lord's eyes. Are we willing to give our time to help others? Remember, it does not have to be anything big, it just needs to come from your heart.

As this Easter season comes to an end, please remember all of the people that are homebound, in hospitals or in nursing homes. Also remember our service men and women, that they may have a joyful Easter holiday.

Along with my wife and family, I wish you a "Happy Easter."

Next Fourth Degree meeting, April 18, 2017.

### **FROM THE GRAND KNIGHT**

Hello Brother Knights,

Well, the calendar says that it is spring and hopefully we'll see some nice warm weather here soon. We are looking forward to the softball, volleyball and golf leagues starting up and for everyone to enjoy. I want to thank all those that came to our chicken dinners, fish fries, and breakfasts – we really do appreciate it and we've had many good comments on the food and how well it tasted. Also, thanks to all those guys who prepared it and made sure we had the ingredients there to have a successful event. Also, as we're starting to enjoy the warmer weather, we may start thinking about the Bar-B-Que. We still need chairmen, so if anyone is interested, please don't hesitate to let us know.

If you haven't been in for a while, come by the club and see some of the changes. Christopher Columbus is in the main hallway in a glass enclosure. Shirley and Gary have the place shining and Shirley has done some decorating, especially in the ladies bathroom, with the help of the Ladies Auxiliary. The CHA is continuing to improve the facilities and this shows in the amount of rentals that we're getting. A big thanks to all those who are working on these projects. We are still in the process of setting policies for the Council and Columbus Home to be able to work together. We have a good handle now on the room rentals and donations of the fee by the Council. We cannot afford to give rooms away for free anymore.

I would like to also thank the Ladies Auxiliary for hosting their Memorial Mass and allowing the Council to hand out our 25 and 50 year pins. Father Wheeler did a great job with Mass and the guys served a delicious breakfast. Again, thanks for all those who worked at this event to make it such a success.

A reminder that we are still working on the Calendar Raffle sales. If anyone is interested in a chance or two, please let us know. Supreme has sent me information on the Special Olympics events this year, and that information is posted on the bulletin board in the main clubhouse if anyone is interested in going or helping. The ultrasound machine project hit a snag, but we worked through it and are going

forward, so look for more information on that in the future. We have also passed a motion that I will send to State and Supreme on our intent as Council #583 to stay with the Columbus Home Association and not become parish-based. We hear rumblings of that and it confuses people, so we decided to make this a motion of our intent to send out to the powers that be.

Again, a big thanks to all those that are coming out to the club for meals and to help with projects or just to say "Hi." The officers and I really do appreciate it and would love to see you and yours at any time. May God bless you and yours and may you all have a Blessed Easter!

Dr. Mark Holtschlag,  
 Grand Knight

# Perspective from the Pew

The initiation rites of the third, fourth and fifth Sundays of Lent don't have the most comforting of names. On these days we engage the elect in rites and prayers called Scrutinies and exorcisms. The first connotes probing and critical examination of one's life, and the second – well, let's just say many of us have had nightmares because of what Hollywood thinks exorcisms look like.

Yet, if we understand the history of these initiation rites, we'll see that they are both more pastoral and comforting than we may think.

In the earliest ritual books of the Church, exorcisms and Scrutinies seemed to be separate events celebrated sometimes on a daily basis. One of these early documents, called the *Apostolic Tradition*, notes that the Catechumens' conduct was examined at a time just before their baptism.

After this examination, the bishop laid hands daily on the Catechumens and led prayers of exorcism over them until their baptism. The scrutinizing of the Catechumens' lives was meant to prepare them for baptism, while the exorcisms served to prove that the scrutinies were working. The two rites were distinct yet related and were both loving acts of the Church for the elect.

As fewer adults were being initiated and the number of infant baptisms increased, these two rites were condensed into one liturgy, like we have today. Yet, no longer were these rites seen as preparation for baptism. Rather, they became somewhat perfunctory rites done just before baptism as part of the tradition.

By the 12th century, the elect participated only in an exorcism on Saturday morning right before the baptismal liturgy. By the 17th century, even this was moved to the beginning of the baptismal rite itself – we still do this in today's Rite of Baptism of infants. Perhaps it was this diminishing, not only in time but also in meaning that spurred on some of our more negative connotations of these two rituals.

In the current rite, it is difficult to name what is the "scrutinizing" event. I would argue that the proclamation of Scripture, especially the gospel, serves to scrutinize the elect, for it is in the word proclaimed that we encounter Christ.

A scrutiny is very different from submitting one's conduct to the judgment of the Church. Better to say that Jesus is the one who scrutinizes the elect, whom he loves and has called to himself – Lazarus, Come Out! The Story and Ritual of the Third Scrutiny.

## QUINCY CURSILLO INVITATION

Cursillo was founded to initially help men become the spiritual leaders of their family. What does that Mean? Come and See! Bring your questions to the weekend. Find answers for you personally. Who is my personal Jesus? We ask that you do not judge this movement until you come and give 3 days of your time to Jesus. You will find answers and a peace and joy thru the experience.

Anyone age 21 or older can make a weekend. (TEC – Teens Encounter Christ is for anyone 16-21.)

Men and Women make individual weekends. For married couples, the man makes a Cursillo before the wife. There are 8 weekends per year, 4 for men and 4 for women.

Cost for a weekend is \$150 and there is a financial gift of \$75 available when needed. This covers all meals and your room for the weekend. The weekend is held from 7:30 p.m. Thursday evening until Sunday evening. The location is at QU Franciscan Retreat Center (North Campus).

You do need someone to sponsor you. This is to help you with the application and getting you to the weekend, as well as follow-up with you.

Anyone who has made a Cursillo can be a sponsor.

## SLEEP MORE DEEPLY

A good night's sleep not only helps you feel more rested the next day, but it might also help you control your weight. During deep sleep, our bodies release the hormone leptin, which tells our brain that we've eaten enough. When we are sleep deprived, we feel hungrier, and we crave fat and carbohydrates. Chronic diseases such as obesity and diabetes are also linked to poor sleep. To help you sleep better, keep your bedroom cool and dark and go to bed and the same time each night.
